An undergraduate Data Science student at BINUS University with skills in data analysis, SQL, and Python. Pursuing career as a Data Analyst/Scientist.

ORGANIZATION EXPERIENCE

Manager of HIMTI CARE 2024/2025 at HIMTI BINUS University | February 2024 - Present

- **Leadership & Team Management:** Led a division of 59 people in planning and executing internal events, ensuring high levels of engagement and satisfaction among participants.
- **Project Management:** Developed and managed detailed event schedules to ensure successful and timely completion of all tasks.
- **Communication & Interpersonal Skills:** Facilitated clear and open communication within the team, ensuring alignment on goals and objectives.

Event Division Mentor of HIMTI Leadership Training 2024 | February 2024

- **Mentoring & Training:** Guided and supported the event division in mastering event coordination, fostering effective teamwork and leadership qualities among future activists.
- **Problem-Solving & Adaptability:** Provided solutions to logistical challenges during event planning, ensuring smooth execution under tight deadlines.

Activist of HIMTI CARE 2023/2024 | February 2023 - February 2024

- **Teamwork & Communication:** Collaborated effectively with team members using strong communication skills to convey ideas and strategies for executing successful internal events, ensuring alignment with event goals and objectives.
- **Problem-Solving:** Assisted in event execution by leveraging problem-solving abilities to proactively address issues and using attention to detail to coordinate logistics, ensuring smooth operations and a positive participant experience.

Mentor of SESKAM 2023 | October 2023

- **Leadership & Mentoring:** Guided a team in designing and planning an event, providing mentorship to develop team members' skills in project management and event planning.

Staff of Registration Division of SESKAM 2023 | September 2023 - October 2024

- **Data Management:** Managed participant data for prospective activists, ensuring accuracy and consistency during the registration process through meticulous data entry and verification.
- **Collaboration:** Coordinated with multiple divisions to streamline registration activities, enhancing efficiency and reducing processing time.

Vice Coordinator of Event Division of TECHNO 2023 | April 2023 - September 2023

- **Event Planning & Coordination:** Collaborated with the event coordinator and team members to develop the event flow, rundown, concept, and performances, ensuring all elements aligned with the overall vision.
- **Leadership & Problem Solving:** Supervised event execution, quickly addressing any on-the-day challenges to ensure seamless delivery.
- **Teamwork & Adaptability:** Worked closely with other divisions, adapting plans and strategies as needed to complete all tasks and meet event deadlines successfully.
